

Beer Tasting at ÅBEN Aarhus

Are you planning an event for colleagues, a celebration of a family member or are you just looking for a place to gather your friends around a beer experience? Then come by the bar for a beer tasting. You will taste interesting beers and learn more about the thoughts and work that goes into the brewing process. In addition to getting the story behind the brewery, the name ÅBEN and our beers, you will be guided through a variety of beer types and get a deeper understanding of the many facets of beer.

Below you find an overview of how a suggested beer tasting experience may look like. If none of the options fits your intentions, please reach out to us so we can find a customised solution that works for you.

Book your beer tasting or send your question(s) to: r28aarhus@aabenbryg.dk

**Please note that it is not possible to have a beer tasting when there are other events at the bar, Thursday after 20.00, all of Friday and Saturday after 17.00.*

I'M DRIVING HOME

You will get to taste the beer types, ÅBEN is most known for. We will talk about different beer styles, hop types and how ingredients impact the taste of the final beer.
